

Neighborhood Watch

Neighborhood Watch is a program designed and structured through guidelines provided by the Indian River County Sheriff's Department. Here at Heron Cay its members serve as an arm and outreach of the Department to assure the safety of residents in the community and to alert the Sheriff when questionable occurrences arise. Neighborhood Watch at Heron Cay fills the role of monitoring conditions in the community which may affect the safety and security of residents and reports these for potential response by the Sheriff's Department.

Who We Are:

We are a group of neighbors looking out for our community by:

- Evening patrols
- Safety Messages
- Ongoing contact with the local Sheriff's office.

We are always looking for volunteers!

Walking in the Community:

If you are out for a walk, please walk against traffic. When walking with guests, please do not walk 3 or more abreast. This is a hazard to the oncoming driver and walkers. If walking your dog, keep them on a short leash. A major problem is having the person on one side of the road and the dog on the other with the leash completely across the road. Let's be courteous to our fellow neighbors.

Biking:

For everyone riding a bike, ride with traffic and remember to stop at STOP signs. All the rules of the road apply to bike riders.

Contact: Nancy Dawe
