

## Bocce

This is one of the most popular and fun activities at Heron Cay.

It is an easy, and very enjoyable game. You do not need any type of equipment or experience to play.

There are 2 leagues - Winter and Spring. The Winter league usually runs from January -March with information and signups available in October/November. The Spring league runs from April-May.

For information on the Bocce leagues and how to participate, please contact Frank Inzinna 516-581-2663.
