

SPRING 2026 PAINTING CLASS NEWS

Hello neighbors,

Have you ever said, looking at a painting, "Oh isn't that beautiful, I wish I could paint like that, but I can't even draw a straight line?" I can teach you, as I have been teaching for over 28 years. Each brush shape has a specific use and I teach you how to use each brush in order to create beautiful paintings that can be hung or used in your house or given as a gift.

I have great news, starting TUESDAY, JANUARY 6, 2026 at 10:00 am, I will be starting a new painting class at the HERON CAY CLUBHOUSE, in the craft room.

THE FIRST CLASS IS FREE!

When you come to your first class you do not need to bring anything, all will be furnished and you will leave with a small finished painting, I promise!

If you have questions or want to reserve a spot, please call me and leave a message or text me your name at 330-807-7814 so I can save a seat for you.
